

Sponsor levels 2007 Maine Youth Fish and Game Open

Thank you for considering donating to our event to raise money for the Maine Youth Fish and Game Association. We are holding our 3rd Annual open bass fishing tournament on China Lake on August 18, 2007 from 7:30am to 3:30pm

As a bass club we are very interested in the legacy use of the Maine outdoors, hunting and fishing being a large part of that lifestyle. The MYFGA is located at Pickerel Pond and gives the youth of Maine a way to learn the proper ways of hunting and fishing from many experts in these fields. Though many hours of instruction is donated there are still many costs in equipment, the facility and insurances.

With the profits from the open we hope to help defray some of the costs of operation for the MYFGA.
